

BAI – SHIRKE “Well Built Structure Competition – 2026” **(30th in Series)**

Dear Sir,

Builders' Association of India, Pune Centre has been organizing “**Well Built Structure Competition**” (WBSC) for the last 29 years. The competition is growing in popularity, quality, scale and stature every year.

Like every year, this year too, the competition will be held to encourage and acknowledge excellent quality works done by fellow members, contractors and builders and be a source of inspiration to others. We take this opportunity to appeal to you to participate in this competition and receive the prestigious awards instituted primarily for quality, speed and economy.

You are requested to register your participation and inform us the number of entries for WBSC 2026 Competition. We will inform you details of program.
